THIS IS FOR YOU.
NO ONE IS JUDGING YOU.

You may feel strong today, but HIV does not show on the body.
Many men carry it without knowing. Do not leave this place without a plan to test.

Condoms – Use one every time.

PrEP – A daily pill that protects before sex.

PEP – Emergency pill within 72 hours.

VMMC – Protection that lasts.

FEAR NOTHING. KNOW YOUR STATUS. GOT YOU BRO.
